

## High sensitive smoke detector, 72051EI

FFS06711100

### Main

|                  |                                           |
|------------------|-------------------------------------------|
| Range of product | Esmi addressable components for SLC range |
|------------------|-------------------------------------------|

### Complementary

|                                |                      |
|--------------------------------|----------------------|
| [Ue] rated operational voltage | 15...32 V DC         |
| Material                       | PC/ABS FR            |
| Colour                         | pure white RAL 9010) |
| Cable cross section            | 0...2,5 mm²          |
| Diameter                       | 102 mm               |
| Height                         | 61 mm with base)     |
| Product weight                 | 110 g                |

### Environment

|                                       |                         |
|---------------------------------------|-------------------------|
| Relative humidity                     | 0...93 % non-condensing |
| Ambient air temperature for operation | -10...55 °C             |

### Pakke osad

|                   |         |
|-------------------|---------|
| Osa tüüp pakil 1  | PCE     |
| Osade arv pakis 1 | 1       |
| Pakk 1 kaal       | 110,0 g |
| Pakk 1 kõrgus     | 6,5 cm  |
| Pakk 1 laius      | 10,5 cm |
| Pakk 1 pikkus     | 10,5 cm |

### Offer Sustainability

|                         |                                                                                                                |
|-------------------------|----------------------------------------------------------------------------------------------------------------|
