

TS-D1000-DU

The digital conference system's dedicated TS-D-1000-MU delegate unit can be instantly used by simply connecting it to the TS-D1000-MU master control unit using easily-obtainable CAT5e STP LAN cables. It can also be optionally equipped with either the TS-D1000-M1 standard microphone or the TS-D1000-M2 long microphone.

Article number: TS-D1000-DU Y
